

ECO BOARD GAME COMPETITION

Welcome to our Eco-Competition! This is your chance to win a **£25 voucher** (we're giving away 6!)

We want you to create an **'Eco Board Game'** to help teach others how to look after our planet.

You can choose your theme, game design, rules, playing counters - everything!

Want to win? We will choose games that are:

- Eco themed (think reusing, recycling litter picking, looking after animals and the environment ... and so much more.)
- Teaching others how to look after our world.
- Fun and easy to play!

What do you need to do?

Use this pack to try our game we made to give you ideas. Then make your own! See how to submit your game design here:

merseyside-and-halton.veolia.co.uk/competitions

Whats included?

- **Example board game** - this can be played to help you give you an idea for an **Eco Board Game** including the  spaces which get you moving with a task, the  spaces which show positive recycling habits and the  spaces which show negative recycling habits.
- **Instruction sheet** - this included the counters to cut out.
- **Dice** - If you don't have a dice there is one to make.
- **Board Game Template** - Handy if you are stuck for ideas - or make your own!

HOW TO CREATE YOUR OWN BOARD GAME

1. Choose how a player wins your game:

In our game the materials are in trouble! They want to be recycled but they need your help to get to the finish and be recycled into something new - helping to **save resources** and **energy**! The aim of our game is to be the first recyclable material to reach the end and be recycled.

2. Design your board:

This will be the path that players have to travel along. Make it as **colourful** as you like!

3. Game Board Spaces:

- Next, choose some **good eco habits** which will let your players go forward.

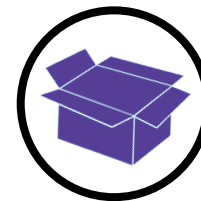

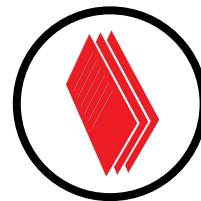

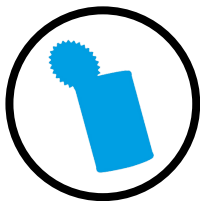

We've come up with some and you can always add your own. Write the ones you choose onto your game board.

- Finally, add **bad eco habits** on which will send your players backwards.

We have added some which make the recycling process tricky. What can you think of? Write the ones you choose onto your game board.

- Choose **'actions'** to add to your board game. Think about an action a player could do that is helping to look after the environment.

Use our ideas or add your own. Write the ones you choose onto your game board.

 Use the 6 materials above as your **playing pieces**. Cut them out and keep them safe ready to play. Instruction sheet

<p>WOW! You dodged a dirty nappy and stayed clean. Go forward! 2 SPACES</p> 			<p>Uh-OH! A battery caused a fire in the recycling centre. Go backwards! 1 SPACES</p> 	<p>DANCE! What dance would a plastic bottle do?</p> 		<p>FINISH</p> 
--	--	--	--	--	--	--

SHOW!
Can you act out using one of the materials. Get your team to guess which one you chose?

RECYCLE BOARD GAME

		<p>WOW! You were spotted you on the floor and picked up. Go forward! 2 SPACES</p> 	<p>SAY! Make the noise of smashing glass bottles.</p> 		<p>Uh-OH! It's a windy day- you've been blown onto the floor. Go backwards! 1 SPACES</p> 	
--	--	--	--	--	---	--

Use your a 'Material' as a game piece. Roll the dice.

The player who rolls the highest number starts the game. Roll the dice again and move your game piece forward.

Take turns playing. The first one to reach the "Finish" wins the game.

<p>START</p> 		<p>STRETCH! Can you make yourself as big as a giant cardboard box?</p> 	<p>WOW! You were cleaned before you went in the bin. Go forward! 2 SPACES</p> 			<p>Uh-OH! You were put in a plastic bag. You should be left loose. Go backwards! 1 SPACES</p> 
---	--	---	--	--	--	--

Design and colour your dice and then cut it out. Make sure you glue on the word 'GLUE' to stick it together.

Make your own Dice

Eco Board Game Competition - Terms and Conditions

Gillmoss Recycling Discovery Centre

Competition Period: The competition runs from Monday 19th January 2025 to Friday 27th February 2025 at 5pm. Entries received after this deadline will not be considered.

How to Enter: Schools must submit entries via the online form found here: <https://www.merseyside-and-halton.veolia.co.uk/competitions>

Each entry must include:

- School name
- Game title
- A photograph of the board game
- A brief description of the game. Schools must maintain their own confidential record linking entry game titles to pupils

Eligibility: This competition is open to primary school aged children (Reception to Year 6) attending schools in Merseyside and Halton only. Entries from outside these regions will not be considered.

Entry Requirements:

- Entries can be individual or group submissions
- Games must be created by the pupils themselves
- Photographs must show only the game itself - no children should appear in images
- Schools are responsible for obtaining any necessary internal permissions before submitting entries

Judging Criteria: Judges will select winners based on games that are:

- Eco-themed
- Teach players how to look after our world
- Fun and engaging The judges' decision is final and no correspondence will be entered into.

Prizes: There will be 6 winners, each receiving a £25 One4all voucher. Prizes will be sent to the winning pupils' schools for distribution.

Winner Notification: Winning entries will be announced by Friday 14th March 2025. Schools will be notified directly and are responsible for informing their winning pupils.

Parental Consent for Winners: After winners are identified, schools must obtain parental/guardian consent for:

- Collection of the child's name for prize distribution
- Publication of the winning entry (game photo and description) on our website ([merseyside-and-halton.veolia.co.uk/RDC](https://www.merseyside-and-halton.veolia.co.uk/RDC)) and social media
- Potential participation in promotional activity (optional) A consent form will be provided to schools upon notification of winners.
